

Plan of action chalked out by the IQAC (Academic Year 2019-2020)

Plan of Action	Achievements/Outcomes
<p>At the beginning of this academic year, IQAC took steps to encourage and motivate students from every department to pursue their active participation in student seminars, workshops, debate, quiz, cultural competitions in our own college campus as well as in other colleges.</p>	<p>Many students were motivated by different approaches made by the teachers. The students of Geography Department delivered serious lectures along with some presentations on different global issues in own campus. The students of English Department actively participated in a quiz competition. Some of our students also participated in a Inter college cultural competition and secured lots of prizes. These achievements helped other students to come forward breaking all the barriers.</p>
<p>The college authority decided to coach the students with special effort who want to pursue their career in Games and Sports section from the very beginning.</p>	<p>In view of this, we discovered lots of students with special skills in sports. We arranged to make some concession in fees structure for them. We could fulfill their needs by establishing a well-equipped gymnasium and also made them focused with future career options which are related to Games and Sports.</p>
<p>The IQAC put enormous efforts to arrange seminars and workshops for ICT enabled teaching learning methods. The teachers were requested to enroll themselves for the training in e-content preparation.</p>	<p>At the end of this academic year, we all saw the benefits of such arrangements. Specially at the time of pandemic, these online methods helped the teachers to maintain the uninterrupted teaching learning process</p>
