FROM THE PRINCIPAL'S DESK

Udaynarayanpur belongs to the ancient state of Bhurishrestha Kingdom, and it has a rich heritage which we deeply value. Keeping in mind the history and tradition of this locality, it is our sustained endeavour to improve the standard of higher education in our institution. Despite financial stringency, infrastructural problems and shortage of faculty members, we have been successfully reaccredited with grade B in the 2nd cycle of NAAC accreditation in 2024.

After being successfully accredited by NAAC, we are looking forward to working on improving the quality of our students. We would like our students to achieve basic communicative skills and acquire meaningful knowledge on their respective subjects. Modern teaching aids and methods are being introduced to adapt the teaching staff and the students with modern pedagogic technology. We have arrangements for power point presentation of class lectures through LCD projectors in our classroom. Free Wi-fi facilities are also available in the college. We believe it would encourage our students to use internet facilities to improve their knowledge. We are constantly working for larger use of Information and Communication Technology (ICT) in the institution. The process of digitizing and cataloguing library books has been completed. We hope it will help our students immensely.

We offer a variety of subject combinations in B.Sc.(General) course with subjects from Pure Science Group, Home Science Group and Humanities/Arts Group and Mathematics Honours under B.Sc. course. The introduction of certain new subjects is under process. Once we receive the necessary approvals, we could offer even more programmes for study to the students. We invite all concerned to take this opportunity to build their careers.

Four-year UG programme under New Course Curricular Framework is being introduced from 2023-24 academic session. Now the honours course with or without research will be of four(4) years. However, there are opportunities for one year, two year and three year multidisciplinary courses with internship.

We look forward to creating opportunities and facilities for the all-round development to our students. To attain this, we need co-operation from all stakeholders, including guardians, students, staff, alumni, academicians, and well-wishers.

Dr. Arabinda Ghosh
Principal
Udaynarayanpur Madhabilata Mahavidyalaya

ABOUT THE COLLEGE

Udaynarayanpur Madhabilata Mahavidyalaya was established on 25th July 2006 under the auspices of the Udaynarayanpur Zamindar family. The conception of this college was enabled by the far-reaching vision and generous contribution of this family and to them the college owes eternal gratitude. The college has been named after Madhabilata Devi of the Udaynarayanpur Zamindar family whose benevolence and ceaseless patronage of the cause of education made her a revered figure in the village. We feel her presence and her benediction as we pass her alabaster statue on entering this abode of learning. The college had austere beginnings in Bireshwar Balika Vidyalaya. Today it boasts a sprawling campus, lush with greenery, on the banks of the Damodar.

Udaynarayanpur Madhabilata Mahavidyalaya is a NAAC-accredited, co-educational, government- aided college, affiliated to the University of Calcutta. The untiring efforts of educators and the enthusiasm of students make it an ever-growing and ever-developing institution. The college authorities are intrepid in their endeavor to ensure its constant development and teaching and non-teaching employees are assiduous in their efforts to guarantee the smooth functioning of the institution. Despite its rural location, the college is well-equipped with modern teaching-learning tools such as smart boards and e-classrooms. It has an expansive library automated with KOHA, reading rooms, laboratories, and capacious classrooms. Bolstering its belief that physical exercise, extra-curricular activities, and participation in sports are as important as classroom learning, the college provides for its students a large field, a music room, as well as an excellently equipped gymnasium. It is our resolve to evolve with the changing times to ensure that Udaynarayanpur Madhabilata Mahavidyalaya reaches greater heights in the coming years, not only granting its students college degrees but also molding their careers and their futures.
